Hi Tashina,

Thanks for filling this out so quickly. Looks good. No need to put in anything you don't have such as the vehicles. The greening practices you listed are fine. We just want to document what you already do or are planning to do.

Thanks,

Eugenia

Good Afternoon Eugenia,

My name is Tashina Jim, WRPT GAP Manager, and I am working with Cynthia on her work plan. I have a few questions...

On the item 10 on the template it is about greening grants practices. We have not not put in for energy

efficient vehicles so would we need to keep that on the funding request?

Thank You,

Tashina
